

BYU COUGAR MARCHING BAND

PICCOLO AUDITION INSTRUCTIONS

Please know that while the BYU Cougar Marching Band marches piccolo, you are not required to use a piccolo for your audition. You may use a flute with the following materials.

Audition:

- 1) Use the following three pages of audition materials.
- 2) Begin your ~~video~~ by announcing: “(name), (instrument), and this is my (year) marching band audition.”
- 3) Play the required scales from the sheets at tempos indicated.
- 4) Perform all etudes and *Spanish Fantasy* as marked (tempo/dynamics).
- 5) *Optional*: Perform an etude or solo that would demonstrate technical and musical proficiency on your instrument. Announce piece and composer.

Recording Tips:

- Please record your audition as an unlisted YouTube video.
- If you do not have a digital recorder you are welcome to use a cell phone.
- You may record your audition in one take or multiple takes for each scale/excerpt/ etc.

How To Upload an Unlisted YouTube Video

Auditions are required to be submitted as an Unlisted YouTube Video. After recording your audition, you can upload it to YouTube in one of the following ways:

Computer

1. Navigate to **youtube.com** and sign in.
2. Click on the **Create** button.
3. Upload your audition video file when given the prompt to do so.
4. After the file is finished uploading, on the **Details** tab, rename your video to your first and last name as well as your instrument/section.
5. On the **Details** tab, scroll down and select **No, it's not made for kids**.
6. On the **Visibility** tab, select **Unlisted, NOT Private**. **If you set your video to Private, we will not receive your audition.**
7. After you hit **Save**, a tab should pop up telling you your video was published. **Make sure you copy the URL here and save it in a safe place to upload it when needed in the audition process. If you forget to save the link or lose it, you can always retrieve it by navigating to the video on your profile and copying the URL of the video.**

iPhone/iPad/Android

YouTube App

1. Open the YouTube app.
2. Tap **Create (+)**. Select **Video** at the bottom of the screen.
